

## Experience Day 1 - Monday

- We welcome you when we pick you up at Lycksele Airport, and then we drive for about 1 hour in our comfortable minibus.
- We check you into our cozy accommodation in Råstrand Lapland, and you can make yourself at home.
- A local meal and a welcome drink await you after you've checked in at your own pace.
- Afterward, we warm up, and you get to feel the excitement of trying on your snowmobile gear.
- In the evening, we embark on a short and magical snowmobile ride where you and your companions ride in our snowmobile sled. We take a short trip onto the frozen river to a shelter where you can enjoy a delightful evening snack over a crackling open fire. Here, you can simply soak in the atmosphere and the crisp cold winter air. Hopefully under a starry sky.

## Experience Day 2

- After a flavorful breakfast, it's time to get acquainted with your snowmobile during an exciting and informative introduction that lasts 1-2 hours. In Råstrand, we have one of Sweden's finest snowmobile trails!
- Finally, it's time for the first snowmobile ride. We explore the fantastic nature as we set off in a group towards Avankojan. There, we enjoy a delicious lunch over an open fire.
- After lunch, we continue our journey with a ride along the wonderful "Tväråträskleden" via the iceberg trail, an exciting and scenic snowmobile trail through various environments and terrains. A great chance to spot wildlife!
- Dinner is served later at your accommodation. It will be a memorable moment with Norrland's most traditional dinner consisting of boiled "palt" with accompaniments.
- We end the day with a relaxing wood-fired sauna and a dip in our wood-fired hot tub.

## Experience Day 3

- After a hearty breakfast, we embark on a snowmobile ride to our neighboring village, Gargnäs, for an unforgettable 4-hour dog sledding adventure.
- Lunch is enjoyed outdoors with the dog sledding team, providing a true sense of adventure, tranquility, and pure fresh air.
- After a day filled with both snowmobiling and dog sledding, we return to Råstrand to savor a homemade dinner with a distinct Lapland flavor.
- The dinner served on this day is rich in game flavors and is guaranteed to be an experience.
- We end the day by relaxing by the outdoor fireplace on the terrace, nestled in comfortable couches with reindeer skins for a truly cozy evening.

## Experience Day 4

- After a delightful breakfast, we prepare for an exciting overnight adventure in the wilderness.
- Today's snowmobile ride takes us to the beautiful Tväråträsk.
- There, we meet the village's master baker and try our hand at traditional flatbread baking in a wood-fired oven, giving us a taste of local life as it was in the past.
- We enjoy a light lunch consisting of freshly baked flatbread with local toppings and boiled coffee or tea over an open fire before moving on.
- We arrive by snowmobile at Vinträskkojan, where we will experience a unique overnight stay in a cabin without electricity and running water, heated by two wood-burning stoves.
- We have prepared the overnight experience for you in advance, and you only need to bring personal hygiene items. Toilet visits are conducted in traditional outhouses.
- Dinner here will be a memorable experience, surrounded by darkness and wildlife at night.
- In the evening, we have simpler activities and enjoy a delicious evening snack in a unique setting.

## Experience Day 5

- We start the day with an unforgettable breakfast in Vinträskkojan. Waking up in the midst of the chilly winter wilderness in a wood-heated and warm cabin is something truly special that needs to be experienced.
- After waking up, we continue on a snowmobile ride to a beautiful nearby lake, where we spend the day ice fishing. Here, we try our luck at fishing, and perhaps we'll get to taste freshly caught fish over an open fire.
- Lunch is prepared outdoors on the ice in a portable fireplace for a genuine nature experience.
- After lunch and more fishing, our next snowmobile ride takes us to Avankojan for dinner under the open sky. Here, we warm up in a simple but fascinating cabin, sitting around a large fireplace in the center. There is a good chance of witnessing a beautiful northern lights display in the afternoon/evening.
- After an exciting day, we return by snowmobile to Råstrand for a much-needed sauna experience.

## Experience Day 6

- We start the day with a hearty breakfast.
- An exciting snowmobile ride awaits us on this day. It takes us to Isbergskojan, which is located on top of a mountain with breathtaking views. Here, we enjoy a delicious lunch over open fire.
- We take in the view and admire the very old building we are in, gaining insights into how people used to live in the past. Then, we return to Råstrand and prepare for an enjoyable evening of some hands-on and warm work.
- In the evening, we use an old classic wood-fired oven to create our own pizza with ingredients of our choice from a buffet of local flavors. We provide tips on the best combinations of local ingredients!
- We then conclude the day with a relaxing time in the sauna and hot tub, and perhaps a refreshing dip in the cold powdery snow?

## Experience Day 7

- Wrap up your unforgettable journey with a final extraordinary breakfast.
- We also have a surprise after breakfast that will make sure you never forget this trip.
- We prepare for check-out at your own pace after breakfast.
- Our comfortable bus awaits to take you back to Lycksele Airport.
- A light meal is served on the way to Lycksele Airport.
- Your adventure concludes with a flight departure as we bid you farewell.

Come as a guest and leave as a friend!

We look forward to taking care of you, your family, or your friends!

**A truly warm cold experience!**
